TASTING NOTES

Loaded with classic Calistoga character it offers a pure reflection of a stellar vintage. Exotic aromas of baking spice, blackberry, mocha, cassis and red licorice invite another swirl and sniff. Smooth and lush on entry, the layers of black fruit, cedar, plum and cassis continue to unfold. Secondary flavors of vanilla and black licorice are interwoven with layers ripe fruit and silky tannins. Picked at peak ripeness this full-bodied wine delivers right through to the lingering finish with balance and finesse.

KEY SELLING POINTS

Winemaker Kari Auringer discovered this beautifully farmed, 'off-the-grid' vineyard high on the Calistoga Palisades; 'elevated' red fruit over bracing minerality reveal a new facet of Cornerstone Cellars' mission.
